## **Guidelines for Attending Mass at San Felipe de Jesus Church**

Updated on June 07, 2020

The following temporary restrictions and protocols have been established as guided by the Diocese of Tucson and the Center for Disease Control (CDC).

**While the Reopening Committee and Father Manolo Padilla are working to reduce the risk, there are no risk-free situations. A parishioner's presence at a public event constitutes his or her understanding and acceptance that there is an inherent risk, regardless of age or health, in attending any public event. This includes religious services.**

**Because of this we encourage the continued practice of our faith by participating in virtual masses. Especially for the "vulnerable persons" of our community. This includes adults of 65 years and older and those with a chronic health condition, as identified by the CDC and the Diocese of Tucson. In addition, we ask that families with small children 5 years and younger consider staying home as well. Be aware that the Sunday Mass Obligation is suspended within the Diocese of Tucson until further notice.**

The occupancy of our church will be reduced by 75%. Only a total number of 175 parishioners will be allowed to attend Mass at one time.

To help with this situation, Bishop Edward Weisenburger will allow for the celebration of the Sunday Mass Liturgy to start Friday evening through to the end of Monday evening. This will also stretch out our Mass schedules which will allow for the sanitation of the church between Masses.

All the Masses will be celebrated in Spanish by Father Manolo Padilla. Mass servers will be limited to only a few key positions. All servers will be persons of low health risk and will be screened for symptoms before every Mass.

Mass Schedule for San Felipe de Jesus Church for the weekend of June the 12<sup>th</sup> to the 15<sup>th</sup>:

- **Friday: 6PM**
- **Saturday: 3PM (Please reserve this Mass for healthy individuals 65 years and older.)**
